The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 C.F.R. § 1.56(b). Applicant does not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* prior art reference against the claims of the present application.

TIMING OF THE DISCLOSURE

The instant Information Disclosure Statement is being filed after the mailing date of the first action but before the mailing date of either a final action or notice of allowance under the provisions of 37 C.F.R. § 1.97(c), and is accompanied by a statement specified in 37 C.F.R. § 1.97(e).

STATEMENT UNDER 37 C.F.R. § 1.97(e)

The undersigned hereby states in accordance with 37 C.F.R. § 1.97(e)(1) that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of this Statement.

RELEVANCE OF EACH DOCUMENT

The document listed on the attached PTO-1449 was cited as being relevant during the prosecution of the corresponding European application. It is believed that the instant information disclosure statement is being filed prior to the mailing date of any Notice of Allowance or Final Office Action.
